RE: RFQ ENERGY AUDIT

Cytonn Investments is an independent investment management firm, with offices in Nairobi - Kenya and D.C. Metro - U.S. We are primarily focused on offering alternative investment solutions to individual high net-worth investors, global and institutional investors and Kenyans in the diaspora interested in the high-growth East-African region. We currently have over Kshs.73 billion of investments and projects under mandate, mainly in real estate.

We intend to conduct an Energy Audit for our offices at Liaison House and The Chancery.

The objective of the energy audit is to assess and undertake verification, monitoring and analysis of use of energy within our premises. Also, provide technical recommendations for improving energy efficiency with cost benefit analysis and an action plan to reduce energy consumption in the office as an effort to ensure safe environment now and in the future.

MANDATORY REQUIREMENTS:

1. The Company Profile, Taxpayer Registration Certificate and Valid Tax Compliance Certificate and Business Permit.
2. Holder of a valid category A audit license with Energy Regulation Commission authorized to conduct all energy audits including investment grade audits.
3. -Three (3) references on energy audit carried out in the last 3 years

Proposal submission deadline is Tuesday 6th September 2016 at 5.00 pm
